There will be two friends in the cinema to look after us and watch the film with us: Rachael and Mani.

They will have cushions for us to sit on and things for us to play with if we would like.

During the film we can take a break outside the cinema, move around and change seats, eat and drink, and talk if we need to.

Rachael and Mani can help us if we need anything else.

We will watch Magic Beach

Magic Beach

Magic Beach is a film with lots of little stories of the ocean and the beach.

Some will be cartoons and some will be film of real people, places and things.
